

If you or someone you know are experiencing symptoms, please call our dedicated COVID-19 hotline at 1-866-703-7790 to receive care today.

At Loyola, our priority during this pandemic is the health and wellbeing of our students, faculty and staff. We want to remind everyone of the partnership we have made with Ochsner Health to provide you with effective and affordable virtual care through the Ochsner Anywhere Care Application.

Through Ochsner Anywhere Care, you have 24/7 access to a host of providers who can safely and effectively help diagnose not only potential COVID-19 threats, but also assist with numerous other health concerns. Please keep in mind this valuable resource and remember to use the discount codes below to gain access to \$10 visits anywhere in the country.
